To obtain copies of our Site Investigation (SI) Reports (Castle Drive Landfill, Castle Drive & Miles Road Landfill) on the active Garland landfill or the adjacent inactive Miles Road Landfill you must provide a written request to the Environmental Protection Agency (EPA). The following contact and address should be used to request the report:

Walt Helmick

The ground water sample from your property was taken as part of the Miles Road Landfill SI. To obtain copies of all three landfill reports they should be referenced by site name and CERCLIS identification number. The name and numbers for these three sites are as follows:
